

KENTUCKY

A Call to Action on Invasive Species

Nationwide, more than 780 scientists, resource managers, agricultural officials, and other experts – plus 120 citizens groups – signed the December 2003 Call to Action on Invasive Species. You can read the Call at [our website](#). Here are the signers from Kentucky.

Scientists and Experts

Joyce Bender, M. S.
Kentucky State Nature Preserves Commission
Nature Preserves and Natural Areas
Frankfort, Kentucky

Richard L. Boyce, Ph. D.
Department of Biological Sciences
Northern Kentucky University
Highland Heights, Kentucky
Plant ecologist

Elizabeth Ciuzio, M. S.
Frankfort, Kentucky
Wildlife biologist

John W. Ferner, Ph. D.
Department of Biology
Thomas More College
Crestview Hills, Kentucky
Terrestrial vertebrate ecology: Impact of invasive vertebrates on native species

Joyce A. Fry, M. S.
Department of Ecology
HMB Professional Engineers, Inc.
Frankfort, Kentucky

Jay Gulledge, Ph. D.
Department of Biology
University of Louisville
Louisville, Kentucky
Global change biologist

Carey Ruff
Floracliff Nature Preserve
Lexington, Kentucky

Kevin M. Saylor
Taylor Mill, Kentucky
Americas economy is threatened

Madhusudan P. Srinivasan, M. S.
Department of Biological Sciences
University of Kentucky
Lexington, Kentucky
Plant invasaion and impact on native systems

Institutional affiliation for identification purposes only

* Also supports greater leadership by the Environmental Protection Agency in addressing the ballast water vector under the Clean Water Act

Citizens Groups

Perrin de Jong
Kentucky Heartwood
Lexington, Kentucky
