

LOUISIANA

A Call to Action on Invasive Species

Nationwide, more than 780 scientists, resource managers, agricultural officials, and other experts – plus 120 citizens groups – signed the December 2003 Call to Action on Invasive Species. You can read the Call at [our website](#). Here are the signers from Louisiana.

Scientists and Experts

Cecil Brooking, M. S.
Brooking Farm Management
Ferriday, Louisiana
Conservation

Brian I. Crother, Ph. D.
Department of Biology
Southeastern Louisiana University
Hammond, Louisiana
Evolutionary biology

Lee A. Dyer, Ph. D.
Department of Ecology and Evolutionary Biology
Tulane University
New Orleans, Louisiana
Plant-insect interactions

William F. Font, Ph. D.
Department of Biological Sciences
Southeastern Louisiana University
Hammond, Louisiana
Exotic parasites of Hawaiian stream fishes

Don Hauber, Ph. D. *
Department of Biological Sciences
Loyola University New Orleans
New Orleans, Louisiana
Population genetics of non-native plant species

Jerome J. Howard, Ph. D.
Department of Biological Sciences
University of New Orleans
New Orleans, Louisiana
Insect and plant ecology and biological invasions

David P. Muth
National Park Service
Jean Lafitte National Historical Park and Preserve
New Orleans, Louisiana
Oversees management of natural resources

Christopher S. Reid, M. S.
Louisiana Department of Wildlife and Fisheries
Louisiana Natural Heritage Program
Baton Rouge, Louisiana
Plant taxonomy, conservation of native plants

Institutional affiliation for identification purposes only

* Also supports greater leadership by the Environmental Protection Agency in addressing the ballast water vector under the Clean Water Act

Citizens Groups

Ann Bloxom Smith
Monroe, Louisiana

Randy P. Lanctot
Louisiana Wildlife Federation
Baton Rouge, Louisiana

Cynthia Sarthou
Gulf Restoration Network
New Orleans, Louisiana
