

MINNESOTA

A Call to Action on Invasive Species

Nationwide, more than 780 scientists, resource managers, agricultural officials, and other experts – plus 120 citizens groups – signed the December 2003 Call to Action on Invasive Species. You can read the Call at [our website](#). Here are the signers from Minnesota.

Scientists and Experts

Kurt Arthur Brownell
Department of Army
United States Army Corps of Engineers
La Crescent, Minnesota
Upper Mississippi River invasive species control

George Phillip Durkee, Ph. D.
Department of Education
College of St. Benedict
St. Joseph, Minnesota

Lee E. Frelich, Ph. D.
Center for Hardwood Ecology
University of Minnesota
St. Paul, Minnesota
European earthworm invasion in hardwood forests

Douglas A. Jensen, M. S.
University of Minnesota Sea Grant Program
Duluth, Minnesota
Public education, prevention, policy and control

Michelle Marko, M. S.
Department of Fisheries, Wildlife and Conservation
Biology
University of Minnesota
St. Paul, Minnesota

Raymond M. Newman, Ph. D.
Department of Fisheries, Wildlife and Conservation
Biology
University of Minnesota
St. Paul, Minnesota
Aquatic ecology invasive exotic species biocontrol

Deborah L. Pomroy-Petry
Department of Biology
Olga Lakela Herbarium
University of Minnesota, Duluth
Duluth, Minnesota
Botanist

Parker Quammen, Ph. D.
Zumbrota, Minnesota
Science education and evolutionary biology

David J. Schimpf, Ph. D.
Department of Biology
University of Minnesota
Duluth, Minnesota
Teach ecological invasions course; research alien species

Kathleen L. Shea, Ph. D.
Department of Biology
St. Olaf College
Northfield, Minnesota
Plant ecologist

Steven A. Spigarelli, Ph. D.
Department of Environmental Studies
Bemidji State University
Bemidji, Minnesota

J. David Yount, Ph. D.
Duluth, Minnesota
