

# **NEW JERSEY**

## **A Call to Action on Invasive Species**

Nationwide, more than 780 scientists, resource managers, agricultural officials, and other experts – plus 120 citizens groups – signed the December 2003 Call to Action on Invasive Species. You can read the Call at [our website](#). Here are the signers from New Jersey.

### **Scientists and Experts**

Joan G. Ehrenfeld, Ph. D.  
Department of Ecology, Evolution, and Natural Resources  
Cook College, Rutgers University  
New Brunswick, New Jersey  
Effects of exotic plants on soils and ecosystems

David Keifer, Ph. D.  
Agricultural Products Group  
FMC  
Princeton, New Jersey  
Weed scientist

Fred Steve Lubnow, Ph. D.  
Aquatics Department  
Princeton Hydro  
Ringoos, New Jersey  
Management of aquatic invasive species

Charles C. Peterson, Ph. D.  
Department of Biology  
The College of New Jersey  
Ewing, New Jersey  
Ecological physiology, vertebrate conservation biology

Michael Van Clef, Ph. D.  
The Nature Conservancy  
Newton, New Jersey  
Invasive species research; land management

Judith S. Weis, Ph. D.  
Department of Biological Sciences  
Rutgers University  
Newark, New Jersey  
Effects of contaminants and invasives in estuaries

David Wilcove, Ph. D.  
Woodrow Wilson School  
Princeton University  
Princeton, New Jersey

William E. Young, M. S.  
Native Plant Society New Jersey  
New Brunswick, New Jersey

#### **Institutional affiliation for identification purposes only**

\* Also supports greater leadership by the Environmental Protection Agency in addressing the ballast water vector under the Clean Water Act
