

NEW MEXICO

A Call to Action on Invasive Species

Nationwide, more than 780 scientists, resource managers, agricultural officials, and other experts – plus 120 citizens groups – signed the December 2003 Call to Action on Invasive Species. You can read the Call at [our website](#). Here are the signers from New Mexico.

Scientists and Experts

Mark C. Andersen, Ph. D. *
Department of of Fishery and Wildlife Sciences
New Mexico State University
Las Cruces, New Mexico
Theoretical ecology

Vincent P. Gutschick, Ph. D. *
Department of Biology
New Mexico State University
Las Cruces, New Mexico
Plant ecology and physiology / global change

Paula K. Ivey, Ph. D.
Department of Anthropology
University of New Mexico
Albuquerque, New Mexico
Human ecology, social behavior and environmental health

Kristine Johnson, Ph. D.
Department of Biology
University of New Mexico
Albuquerque, New Mexico
Conservation biology

Rayo McCollough, M. S.
Natural Heritage New Mexico
Albuquerque, New Mexico

Reese Brand Phillips, M. S.
Department of Biology
University of New Mexico
Albuquerque, New Mexico
Invasive species ecology and management

Gary W. Roemer, Ph. D.
Department of Fishery and Wildlife Sciences
New Mexico State University
Las Cruces, New Mexico
Ecology, invasive species biology

Institutional affiliation for identification purposes only

* Also supports greater leadership by the Environmental Protection Agency in addressing the ballast water vector under the Clean Water Act

Citizens Groups

Dave Foreman
The Rewilding Institute
Albuquerque, New Mexico
