

# UTAH

## A Call to Action on Invasive Species

Nationwide, more than 780 scientists, resource managers, agricultural officials, and other experts – plus 120 citizens groups – signed the December 2003 Call to Action on Invasive Species. You can read the Call at [our website](#). Here are the signers from Utah.

### Scientists and Experts

Diane W. Davidson, Ph. D.  
Department of Biology  
University of Utah  
Salt Lake City, Utah  
Exotic plants and ants

Steven A. Dewey, Ph. D.  
Plants, Soils, and Biometeorology  
Utah State University  
Logan, Utah  
Extension specialist - noxious and invasive weeds

Andrew M. Kota  
Forest, Range, and Wildlife Science  
Forest Service  
United States Department of Agriculture  
Logan, Utah

James A. MacMahon, Ph. D.  
Department of Biology  
Utah State University  
Logan, Utah

Beth A. Newingham, Ph. D.  
Biological Resources Division  
United States Geological Survey  
Moab, Utah  
Plant community ecology and invasion ecology

Leila M. Shultz, Ph. D.  
Department of Forest, Range, and Wildlife Science  
Utah State University  
Logan, Utah  
Plant systematics and biogeography

James A. Wechsler, Ph. D.  
Salt Lake City, Utah

#### **Institutional affiliation for identification purposes only**

\* Also supports greater leadership by the Environmental Protection Agency in addressing the ballast water vector under the Clean Water Act
