Citizens and Scientists for Environmental Solutions

Scientific Freedom and the Public Good Prominent Endorsers (in alphabetical order)

On February 14, 2008, a group of prominent scientists called on the U.S. government to establish conditions that would enable federal scientists to produce the scientific knowledge that is needed by a government dedicated to the public good. Please visit www.ucsusa.org/scientificfreedom for more information.

Lewis Branscomb

Professor Emeritus, John F. Kennedy School of Government, Harvard University
Adjunct Professor, School of International Relations and Pacific Studies, University of California at San Diego
Research Associate, Scripps Institution of Oceanography, University of California at San Diego
Director, U.S. National Bureau of Standards (now the National Institute for Standards and Technology), 1969-1972
Chair, National Science Board, 1980-1984
Chief Scientist and Vice President, IBM, 1972-1986
Member, National Academy of Sciences
Member, National Academy of Engineering
Member, Institute of Medicine

Rita Colwell

Chairman, Canon US Life Sciences, Inc.
Distinguished Professor, University of Maryland College Park and Bloomberg School of Public Health, Johns Hopkins University
Former Director, National Science Foundation, 1998-2004
Past President, American Association for the Advancement of Science
Member, National Science Board, 1984-1990
National Medal of Science, 2006
Member, National Academy of Sciences

Thomas Eisner

Jacob Gould Schurman Professor Emeritus of Chemical Ecology, Cornell University
Director, Cornell Institute for Research in Chemical Ecology
National Medal of Science, 1994
Member, National Academy of Sciences

James Fay

Professor Emeritus of Mechanical Engineering, Massachusetts Institute of Technology
Chair, Massachusetts Port Authority, 1972-1977
Chair, Air Pollution Control Commission of the City of Boston, 1969-1972
Member, National Academy of Engineering

Union of Concerned Scientists

Citizens and Scientists for Environmental Solutions

Richard Garwin

IBM Fellow Emeritus, Thomas J. Watson Research Center
Member, President's Committee of Advisers on Science and Technology, 1962-65 and 1969-72
Member, Defense Science Board, 1966-69
National Medal of Science, 2002
Member, National Academy of Sciences
Member, National Academy of Engineering
Member, Institute of Medicine

Lynn Goldman

Professor, Environmental Health Sciences, Bloomberg School of Public Health, Johns Hopkins University
Chair, Interdepartmental Program in Applied Public Health, Johns Hopkins University
Former Assistant Administrator for the EPA's Office of Prevention, Pesticides and Toxic Substances, 1993-1998
Member, Institute of Medicine

Kurt Gottfried

Emeritus Professor of Physics, Cornell University
Co-founder and Board Chair, Union of Concerned Scientists
Former Senior Scientist, European Center for Nuclear Research

Andrew Gunther

Executive Director, Center for Ecosystem Management and Restoration
Founding Partner, Applied Marine Sciences, Inc.

Dudley Herschbach

Frank B. Baird, Jr. Professor of Science, Harvard University
Member, National Academy of Sciences
Nobel Prize in Chemistry, 1986
National Medal of Science, 1991

William Hirzy

Senior Scientist, Risk Assessment Division, Toxics Office, Environmental Protection Agency
Chemist in Residence and Adjunct Professor, American University
Co-founder, National Treasury Employees Union, Chapter 280 (EPA Headquarters Professionals' Union)

John P. Holdren

Teresa and John Heinz Professor of Environmental Policy, Harvard University
Director, The Woods Hole Research Center
Faculty Consultant, Lawrence Livermore National Laboratory
Chair and past President, American Association for the Advancement of Science
Member, President's Committee of Advisers on Science and Technology, 1994-2001
Member, National Academy of Sciences
Member, National Academy of Engineering

Union of Concerned Scientists

Citizens and Scientists for Environmental Solutions

Robin Ingle

Senior Research Associate, Health Policy Research Center
Former Mathematical Statistician, U.S. Consumer Product Safety Commission

Gerald Keusch

Associate Provost for Global Health, Boston University
Associate Dean for Global Health at Boston University School of Public Health
Former Director, Fogarty International Center, National Institutes of Health (NIH)
Former Associate Director for International Research in the office of the NIH Director
Member, Institute of Medicine

Leon Lederman

Pritzker Professor of Science at the Illinois Institute of Technology, Chicago
Director Emeritus of Fermilab
Past President, American Association for the Advancement of Science
Member, National Academy of Sciences
National Medal of Science, 1965
Nobel Prize in Physics, 1988

Neal Lane

Malcolm Gillis University Professor, Rice University
Senior Fellow, James A. Baker III Institute for Public Policy, Rice University
Assistant to the President for Science and Technology and Director of the White House Office of Science and Technology Policy, 1998-2001
Director of the National Science Foundation (NSF), 1993-1998

James McCarthy

Alexander Agassiz Professor of Biological Oceanography, Harvard University
President-elect, American Association for the Advancement of Science
Co-chair, Intergovernmental Panel on Climate Change (IPCC) Working Group II

Anthony Robbins

Professor, Tufts University School of Medicine
Co-editor, Journal of Public Health Policy
Former Director, U.S. National Institute for Occupational Safety and Health

Andrew Sessler

Former Director, Lawrence Livermore National Laboratory, 1973-1980
Member, National Academy of Sciences

Union of Concerned Scientists

Citizens and Scientists for Environmental Solutions

Harold Varmus

President, Memorial Sloan-Kettering Cancer Center
Former Director, National Institutes of Health, 1993 to 2000
Member, National Academy of Sciences
Member, Institute of Medicine
Nobel Prize in Medicine, 1989
National Medal of Science, 2001

Steven Weinberg

Jack S. Jusey-Welch Foundation Chair in Science and Regental Professor, University of Texas at Austin
Director, Theory Research Group, University of Texas at Austin
Member, National Academy of Sciences
Nobel Prize in Physics, 1979
National Medal of Science, 1991

Susan Wood

Research Professor in the Department of Environmental and Occupational Health, School of Public Health and Health Services, George Washington University
Former Assistant Commissioner for Women's Health and Director of the Office of Women's Health, FDA, 2000-2005

John Young

Retired Wildlife Biologist, U.S. Fish and Wildlife Service
Former Fisheries Biologist, National Marine Fisheries Service, National Oceanic and Atmospheric Administration
